As we all put 2021 to a close and welcome 2022, I want to wish everyone a healthy, happy, and safe New Year. During 2021 like many other companies, we all had our difficult staffing issues and dealing with heavy rain weather delays. However, Swift & Son, Inc. remained strong, very busy, and stayed on schedule as much as possible throughout the year.

Some Great News to Share:

Swift & Son, Inc. is now licensed with the NJ Division of Property Management & Construction (DPMC-27), and now holds a Small Business Enterprise (SBE) Certification.

The New Jersey Real Estate market in 2021 remained a seller's market and we are pleased to have helped many homeowners achieving curb appeal at affordable prices.

I would like to thank our hardworking laborers, craftsman, truck drivers, diligent administrative personnel, and sales/marketing consultants.

It is with great pleasure to welcome the following to our long list of satisfied clients, communities, various municipalities, and corporations that we service:

Captains Inn - Forked River, NJ

Four Seasons at Harbor Bay HOA - Tuckerton, NJ

Lafayette Green Condo Association - Lakewood, NJ

Lions Head South HOA- Brick, NJ

Oaks at Weymouth (Hometown America Community) - Mays Landing, NJ

Renaissance HOA - Manchester, NJ

Winding Ways HOA - Jackson, NJ

Call us today to schedule a complimentary evaluation for your 2022/2023 projects.

**Best Regards,
Thomas V. Swift, Jr. President**
