As we welcome Spring 2021, a COVID-19 vaccine, better health conditions, I wanted to share some informative information, and exciting news. At Swift & Son, Inc. we are focused on assisting our clients and future clients with all of their needs. We can help you make the correct choices in either repairing or replacing needed parking lots, driveways, walkways, etc.

New Jersey Real Estate Market

As our state remains in a sellers' market with many families moving from various cities, we can help you plan for the correct driveway curb appeal replacement or repairs to sell your home to achieve the best price.

Yearly Maintenance Programs and Incentives

We are now offering yearly maintenance programs to Corporations, Home Owner Associations, and individual residential homeowners for asphalt crack repairs, seal coating, sink holes, and concrete work. Please contact us to schedule a complimentary evaluation and what program will best fit your needs for the future.

Swift & Son, Inc. 2021 Drawing Giveaway

We are excited to share the news in our 2021 effort to help New Jersey residents needing assistance during COVID-19, Disabled Veterans, Adults & Children with Disabilities, or Families in Financial Distress. Enter our drawing by submitting the name of the family or individual in need and share their story, current situation, or continued circumstances. The prizes will be various generous supermarket gift cards. Look for our announcement of our giveaway on our website, Facebook, LinkedIn, or simply contact us and we will be happy to provide you with the information on how to enter.
